THROUGH OUR EYES

The “Tiziano Project 360°| Kurdistan” is a documentary initiative that presents the journalistic efforts and personal accounts of Arab, Kurd, and Assyrian citizens of Northern Iraq. The immersive website and multimedia exhibition provide viewers with a revealing portrait of the life, culture and news of present-day Iraqi Kurdistan through the eyes of Iraqi student reporters and their mentors.

When: August 4, 2011 - September 1, 2011

Opening Reception:
